IN MEMORY OF STEVE LOVATO

● Mr. DOMENICI. Madam President, I rise today to honor Steve Lovato, an outstanding individual who lost his life in service to others.

Steve Lovato was an EMT known for his strong work ethic and his helpfulness to others. His coworkers praised him for his dedication to the job, and he was well recognized for his service to the community.

Being an EMT, Steve knew that the financial reward would not be great. He would often face many dangers that are inherent with the job. However, Steve liked doing what was right and worked as an EMT because he wanted to help people. That is why it saddens me to know of the tragic loss of this noble individual.

Nearly two months ago, Steve and his partner, Margie Muccie, responded to a 911 call where a man, Paul Freeman, had been injured by a burning home. While trying to give Mr. Freeman medical attention, the mentally unstable individual pulled out a gun and shot and killed Steve. He also killed Roswell Fire Chief, Louis Jones, and his good Samaritan neighbor who had called for help, Randy Houghton. Randy's son was also critically injured by Mr. Freeman.

This terrible event has had a profound effect on the community of Roswell. It has also deepened my resolve to address issues that affect the mentally ill. I have long worked to help people who suffer from diseases of the brain, and I believe that better treatment options for Mr. Freeman could have prevented this terrible tragedy. I will continue to seek out the best possible ways to help those that suffer from mental illness.

Steve made the ultimate sacrifice in service to others; he lost his life in the line of duty. I am proud to have represented a man like Steve, and I send my heartfelt condolences to his wife, Josephine, and his son, Alex. He went above and beyond the call of duty and showed unparalleled compassion for his fellow man. I am proud to honor him here today and to know of his heroic efforts.

I also wish to express my greatest sympathies to the friends and families of Louis Jones and Randy Houghton. These men should also be honored for their efforts in trying to help others.●

IN CELEBRATION OF MRS. LOLA V. GIBBS' 100TH BIRTHDAY

● Mr. CARPER. Madam President, I would like to set aside a moment to re-

flect on the life of Mrs. Lola V. Gibbs, a longtime educator, community and civic leader. She has made a lasting impact on the generations of people and the communities she has touched. Today, I rise to celebrate her 100 years of life.

Born the only daughter of Tabitha and George Gibbs on Easter Sunday, 1902, Lola enjoyed a childhood home filled with the laughter of foster children. Her family owned a farm, and together Lola and her father planted vegetables and tended to crops. At the age of seven, Lola began her education in a one-room schoolhouse. She attended high school at State College, graduating in a class of four. It was the degree she earned from the larger West Chester Normal College, in the company of other African Americans, which shaped the woman she would become.

Lola was assigned to Reeves Crossing School, teaching students in her hometown school in Woodside. Inspired by the excitement of her pupils, she became interested in 4-H. Before long, she organized the Woodside Silver Leaf 4 H Club, which was quickly recognized throughout the state for excellence. She would be a 4-H leader for 55 years.

Lola married Edward, whom she met at West Chester Normal, in the spring of 1931. They wed in her rose garden and honeymooned in Washington, DC. In September 1936, Lola and Edward were blessed with their son Edward B. Gibbs, Jr.

Never complacent, Lola Gibbs went back to college. With her son just a year old, she enrolled in classes and earned a second degree before returning to Woodside to run her own classroom again. Lola's students spanned four grades. When attendance dropped, she moved to a two-room schoolhouse in nearby Viola, instructing children, many of whom she had taught before in grades four, five and six. She organized another 4-H club, called the Viola Jolly 26. The club quickly became the largest in Delaware.

Upon her retirement, Lola V. Gibbs was appointed president of the Kent County Teachers Association. In the years that followed, she became active in the Eastern Star, AARP and the Women's Auxiliary of the Smyrna Home for the Critically Ill.

A life member of Star Hill AME Church, Lola focuses much of her energy on the success of the congregation's Historical Society. Both her church and her community were stops on the Underground Railroad. Both benefit from her pride in her heritage.

Lola V. Gibbs is an active, independent woman of many talents and gifts. She has four grandchildren and five great-grandchildren. In 2000, Mrs. Gibbs renewed her driver's license, driving her Ford station wagon throughout Kent County, DE. Until just a few years ago, she continued to play the organ for her church.

Today, I rise both to celebrate Lola's one hundred years and the life she

breathes into her community. To her grandchildren and great-grandchildren she will leave a legacy of determination, tenacity, and kindness. With pride in her students, her family, her heritage and her community, she is living proof that a life filled with good works is a good life indeed.●

TRIBUTE TO LOUIS WYMAN

● Mr. SMITH of New Hampshire. Madam President, I rise today to pay tribute to my personal friend, former judge and United States Congressman, Louis Wyman, who passed away Sunday, May 6. Louis, who was 85, was involved in one of the closets races in United States Senate history.

Louis left a lasting legacy. His legacy of country, state and family, will not soon be forgotten by those of us whose lives he touched so deeply. He was a loving husband, father and grandfather to his wife Virginia, his children Jo Ann and Louis II, and two grandchildren.

Louis Wyman was elected to serve in the United States Congress from New Hampshire's 1st Congressional District in 1962. Louis served five terms in the House of Representatives before deciding to run for the Senate in 1974. In the closest race in Senate history, Louis won the seat by only 2 votes. He served briefly in the Senate, after which a special election was held and John Durkin was awarded the seat.

In 1938 Louis graduated from the University of New Hampshire with honors and from Harvard University Law School, in 1941, cum laude. Louis was named attorney general of New Hampshire in 1953, and in 1957 was elected president of the National Association of Attorneys General. He returned to the State over the course of many years to practice law.

Louis' impact on the State of New Hampshire will not be forgotten. He touched many lives over the years through his many judicial and political pursuits. Louis was instrumental in preventing the closure of Portsmouth Naval Shipyard. Citizens of the Granite State were fortunate to have such invaluable aid.

While serving on the sub-committee of defense, Louis was an effectual supporter in the development of the F-18 fighter jet and the AEGIS Missile. During this time, Louis was a leader in the early funding for the moon landing project.

From the hallways of Capitol Hill to the law offices of New Hampshire, Louis Wyman touched many lives, and left his mark in U.S. Senate history. He will not be forgotten.●
